The Challenge

**Add 20 donors who give to Tigard UMC
through a recurring electronic donation.**

An additional \$125 will be added to every new recurring electronic donation set-up through Pushpay.

(If the Challenge is met, it will generate **\$2,500** for TUMC!)

The Match

A dollar-for-dollar match (up to \$250) for:

- * New donors who give at least \$5 per month.
- * Current donors who increase their giving by at least \$10 per month.

Examples

*A new donor signs up for a recurring electronic donation of \$5 per month. This \$60 per year commitment is matched AND \$125 is added to it because they signed up for a recurring electronic donation. **Their \$60 annual contribution becomes \$245 for Tigard UMC!***

*A current donor to TUMC increases their monthly giving by \$20. It is matched, so their \$240 annual increase becomes \$480. If they also sign-up for recurring donations through Pushpay, an additional \$125 is added to their gift. **Their \$240 annual giving increase generates an additional \$365 for Tigard UMC!***

For more details, please contact Rick Beadnell or Pastor Jeremy.

The Challenge and The Match are funded thanks to the generosity of current supporters of Tigard UMC. Thank you!
